¹ Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis.

² Expected regular monthly throughput.

³ Paper capacities are based on 20 lb. / 75 gsm stock; capacities will vary with different weight stocks.

Approximate pages. Declared Yield based on 5-page job size, 30% color and 70% black-and-white ratio, using letter / A4 media. Yield will vary based on media size, image area coverage, job run length, media orientation and usage patterns. These yields are based on 5% coverage area.
