xerox®

GBC® eBinder 200™
Produce a full range of printed and bound materials at the touch of a button – all with a single automated solution.

The GBC eBinder 200 is an automated, mechanical binding system that finishes a full range of document sizes with a single binding element that adjusts automatically to every book thickness.

Connected to Xerox® printers, the GBC eBinder 200 is fully automated and creates high-quality, lay flat books quickly and easily inline. The innovative "one-size-fits all" GBC Ellipse element produces elegant lay flat and 360-degree wraparound books with a fresh, modern appearance. The elliptical profile of the element creates compact documents for improved shipping, storing and stacking.

Features

- Automatically punch, comb and bind booklets – at the speed of the print engine.
- Requires a single bind element for all book sizes – eliminating the need for multiple sized elements.
- Enables the punching and binding of a large variety of stocks, including covers and tabs up to 216 gsm.
- Books of 5 to 100 sheets (10 to 200 duplexed pages) plus two covers can be bound.
- Easily emptied catch drawer collects "chips" resulting from punching.
- Sleek, modern elliptical design of the bind element conforms more closely to the book backbone.
- Seamless, user-friendly cassette loading.

Benefits

- Excellent for documents that exceed the stapling limit.
- Adds an aesthetic, professional finish for bound books and manuals from 5 to 100 sheets plus two covers.
- Economical solution for documents with a short life expectancy or designed specifically for internal use, such as routine reports, reference data and directories.
- Provides tamper-resistance, helping ensure documents remain whole.
- Set-level job recovery maintains job integrity in the event of a jam.
- Can run in Binding Mode or Bypass Mode, which passes sheets to third-party finishing devices.

GBC® eBinder 200™

Supported Devices

(Standard Finisher Plus is required)
- Xerox® Colour 800/1000 Press
- Xerox® D110/D125 Copier/Printer
- Xerox® D110/D125 Printer
- Xerox® DocuColor® 5000/7000/8000/7002/8002/8080 Digital Colour Press
- Xerox® Nuvera® 100/120/144 EA Production System
- Xerox® Nuvera® 200/288 EA Perfecting Production System

Dimensions (W x D x H)
- 597 x 864 x 964 mm
- Weight: 183 kg

Power Requirements
- 230 VAC, 50 Hz, 1.1 A

Paper Weight
- Min: 68 gsm
  Max: 120 gsm
- Covers: Min: 163 gsm
  Max: 216 gsm
- Index Tabs (shouldered style only):
  Max: 163 gsm;
  Index Coated stocks supported

Paper Size
- A4 (210 x 297 mm),
  A4-sized Tabs

Booklet Size
- Minimum: 5 sheets (80 to 120 gsm) plus 2 covers (167 to 216 gsm)
- Maximum: 100 sheets (80 gsm) plus 2 covers (167 to 216 gsm)

Tray Capacity
- Nine 100-sheet sets (80 gsm)

Covers per Book
- 2 sheets
